Dear Dr. Kouvias

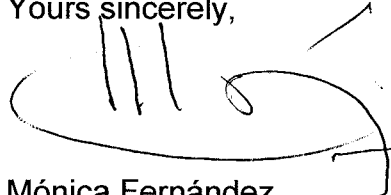

On behalf of the School of Architecture and Urbanism at Universidad de Belgrano, I would like to express our heartfelt thanks to you for your active participation in our recent photographic exhibition in Patras and the wonderful reception given to our student Maria Juri and Professor Stella Maris Casal.

Also, we would like to thank Professor Nikos Mandalos for his cooperation and assistance, Vice-Rector for Academic Affairs Dimitrios Dougenis, and Chairman of the Department of Architecture Georgios Panetsos, for their thoughtfulness to our visitors.

I would express my recognition to the Greek Ambassador in Buenos Aires, Mr. Michael Christides, for his fostering of this activity, and to Dr Cristina Tsardikos, President of the Cultural Association Nostos, for carrying this initiative through and allowing the set up an institutional linkage.

Lastly, we wish this initiative could be an opportunity to both Institution for further academic and cultural cooperation.

Yours sincerely,

Mónica Fernández
Dean
